OUR HISTORY

- In 1972, our brand “DINA TAPIZADOS” is born to offer to the Upholstery World Market, the best **quality, comfort and elegance**.
- The company was founded by the brothers Pedro and José Navarro, which have been working in the company with effort and illusion, improving each year the company and doing it bigger. Now have arrived the second generation and we want to keep this values from our parents, but introducing our new knowledge and more global vision.

THE COMPANY:

“DINA Tapizados” upholstery is able to offer you three ranges of products:

Classic, Modern and Contact, all made at its 10.000 m² of installations IN YECLA (SPAIN) where CONFORT DINA S.L. control and produce the 100% of its production.

The human and technical resources of *“DINA Tapizados”* have proved to be able to adapt itself at each evolutionary phase and to the subsequent transformations which have taken place throughout the company’s history.

Made in Spain.

MISION

- To serve our markets and exceed customers **expectations**.
- To contribute to the **development** of our employees.
- We must to be seen as a **commercial partner** instead of another supplier.
- Be well-know in the **international** furniture market.

VISION

- **Grow up** by hand with our customers.
- Be present in the **5 continents**.
- A responsible, efficient and competitive company, committed to safety, health and the **environment**.
- To can offer a **global offer** in furniture in home and **contract furniture**.

QUALITY AND GUARANTEE

- Design, quality and a good price are our premises.
- Attention to details, precious handmade finished and quality raw materials.
- 7th years of guarantee.

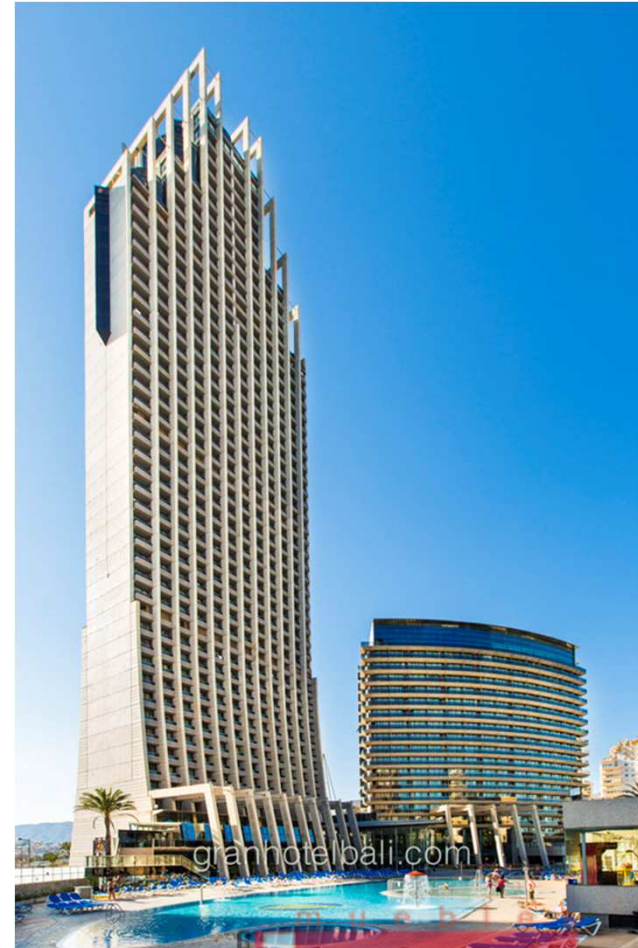

PROJECTS - CONTRACT SOLUTIONS.

Dina Tapizados projects as a manufacture give to the customer Turnkey Solutions with a wide range of services in order to achieve any domestic or interantional projects. Direct cumunication with customers. We have a large experience in the manufacturing process as well as different raw materials and we also have our own profesional fitting teams. We only manufacture in Europe.

REAL PROJECT

- With the experience in the field of furniture **Dina** offer exclusive solutions for all type of furnishing need. We offer options for: Hotel room, hall, apartments, restaurants, ... allows a perfect aesthetics integrations in the Hospitality sector.
- We start analysing the BOQ with a quick budget of it and new proposal ideas in Autocad or 3D simulations.
- **How to work:**
 - Analysing your BOQ and send you the best quotation for your proposal, with the models that you propose.
 - Analysing the Briefing and BOQ and proposed to you our design under the budget and qualities that you proposed.
